SAMPLES OF ORIGINAL DOCUMENTS

To have included all of the documents which were collected in the research process, would have made this volume bulky and costly. Other documents which were collected have been quoted in the text of the book.

ST. LUKE'S GUILD.

St. Luke's Episcopal Church

Wamego, Kansas, with a population of 1700, has six churches,—Catholic, Methodist, Baptist, Lutheran, Presbyterian and Episcopal. St. Luke's Episcopal Parish was organized in Wamego May 22, 1870, by a little band of early pioneers prior to the building of the great Union Pacific Railroad.

In its constant struggle for the past fifty years, although its membership has been small, the influence of St. Luke's Church has been felt throughout the entire country, for from our little city many of our early clergymen have gone forth into the larger fields of work for the church militant, after gaining inspiration and courage for their work from their association with the faithful and tireless workers here.

Among these men are the Rev. J. H. Lee, Pendleton Brooke, Cyrus Townsend Brady, Guy Wilbur Miner, C. Rolland Hill, Wilbur Scranton Leete; later E. Rudd Allmann, Paul James, Fred C. Ruffe, Geo. M. Geisel and Geo. R. Hiatt. Our beloved Bishops have been Bishop Vail, Bishop Thomas, Bishop Millspaugh and our present Bishop, James Wise. From our church there have been 185 Baptisms, 132 Confirmations, and 30 Marriages.

Our little church, built of native limestone, is on one of the best locations in the city and is an impressive, cozy, artistic sanctuary. In the words of the late Bishop Millspaugh, "Small, but a more beautiful church home could be found nowhere."

While we can never hope to rank as a large church, we feel that through the personal sacrifice and service of our members our church may always foster a far reaching and everlasting influence for good.

St. Luke's Episcopal Parish

Wamego, Kansas.

DEAR CHURCHMEN:

Saint Luke's Parish, Wamego, Kansas, is the proud possessor of a little stone Church which is nearing its completion after fifty years of hard struggle by the faithful few. The tower on our beautiful little church has just been completed, and is a gift in memory of two of our most faithful workers.

The one thing needed now to crown our efforts is a Chime of Bells. With love for the Church in general and faith in its churchmen, we are asking every Episcopal Church in the United States to send us one dollar, or one evening's contribution, to help us in our efforts. We believe that our message will appeal to you and that out of the goodness of your heart you will help us in this way and thus receive the blessing of Him who said:

"In as much as ye have done it unto
one of the least of these my brethren,
ye have done it unto me."

Any amount over and above that necessary to purchase the Chimes will be placed in a separate fund for the Parish House, for which we already have the grounds.

Kindly send your Draft, Check or Money Order to
Louis Leach Parsons, Chairman, Wamego, Kansas.

Yours in the faith,

Senior Warden.

This letter has the approval of our Bishop, James Wise.

APPENDIX B

Several present day communicants of St. Luke's have family members who were on the membership rolls of St. Luke's and who received one of the following rites of the church: baptism, confirmation, marriage, or burial of the dead. These rites have been in St. Luke's Church, or performed by a rector of that church.

On the genealogical charts presented in this Appendix, all names appearing have been one of the individuals defined above. Only one exception was made. Some of the parishioners who came to Wamego in the early years had been baptized, confirmed, and married prior to their coming to Wamego. These people appeared on the early church rolls. Some of these people were not buried from the church. At the time of their deaths it is very possible that Episcopal clergy were not available in Wamego.

Not all members of a family are named, only those whose children are part of a four or five generation line. Families may wish to add additional names, or complete the charts as additional rites are performed.

The abbreviations used on the charts are: r--early church roll; bpt.--baptized; c--confirmed; bu.--buried.

APPENDIX C

CONFIRMATIONS AT SAINT LUKE'S

For purposes of historic interest, the confirmations at St. Luke's have been listed according to the quarter of a century in which they occurred. The first confirmation recorded was on Sunday, 26 March 1871. Bishop Vail confirmed six individuals "...in the Presbyterian Church kindly lent us". The Reverend James H. Lee was the Missionary and Rector. A copy of the handwritten page showing those confirmed has been included in Appendix A as an example of the types of records kept at that time. Note that only the names of the individuals have been given.

A tabulation was made of the number of confirmation in each of the decades since 1870. The following shows how the four hundred thirty-nine confirmation were distributed.

1870 - 1879	6
1880 - 1889	0
1890 - 1899	42
1900 - 1909	42
1910 - 1919	38

Total	439

A tabulation was also made to determine from which churches people came to the Episcopal church for confirmation. The greatest number came from the Methodist church, 37. Other denominations and the number from each were: Presbyterian, 21; Lutheran, 17; Roman Catholic, 14; Baptist, 13; Congregational, 11, Christian (or Campbellite), 7; Church of England, 3; and one each from the Evangelical, Church of Sweden, Evangelical United Brethern, and the Union. A total of 128 of the 439 confirmees were baptized in other churches.

So that the information can be used for genealogical purposes as well as historical purposes, pertinent information concerning the church to which the person belonged prior to being confirmed in the Episcopal Church and ages of each individual at the time of confirmation is given when the information is part of the record. At times the abbreviation "m" is used if the person being confirmed is a minor. In the years where this abbreviation is used, then all others confirmed were adults.

The abbreviations for the churches are: Presbyterian, Presb.; Congregational, Cong.; Roman Catholic, R.C.; Lutheran, Luth.; Methodist, Meth.; Baptist, Bapt.; Christian, Chr. The first confirmation which was recorded in 1871, had no information about the confirmees. For the years after 1871 if a church affiliation is not given, the assumption must be that the individual was baptized in the Episcopal Church.

ISABEL ROGERS HILL COLLECTION

Mrs. Hill had saved most of the St. Luke's Guild Yearbooks from 1922 until 1967, many pictures, and newspaper clippings. All were available to the author.

STATE AND FEDERAL CENSUS RECORDS

The Pottawatomie County census records for 1865, 1870, 1880, and 1900.

A SALUTE TO THE CHOIR

At an earlier period of the history of St. Luke's the author saluted the women of St. Luke's for their efforts. It seems only appropriate to end this book about St. Luke's Episcopal Church with a salute to the group which has brought much joy and happiness to all of the parishoners. Visitors to St. Luke's always comment enthusiastically about the quality of the choir. The blending of the youthful and mature voices brings great pleasure to all who hear them.
