St. Luke's Episcopal Church

St Luke's is beginning the 2010 Confirmation training for all teenagers or those soon to be teenagers. This training will take place during the Sunday Church School time and will continue until the curriculum is completed. The material is titled I will with God's help by Mary Lee Wile. St Luke's has used this curriculum several times in the past. This material is part of the "Living the Good News", our Church School Curriculum, a division of The Morehouse Group.
